

Holistic & Remedial Massage

Sports Therapy Massage

Sports massage is good for releasing muscle tension and restoring balance to the musculoskeletal system. It reduces strain and discomfort caused by training or participating in sport, and it encourages the body to heal and repair any injuries sustained.

30mins massage	£25
60mins massage	£38

Deep Tissue Massage

Massage designed to work tight, stiff and tired muscles, deeply and intensively working on those areas proving most problematic. Ideally suited for those who are both physically and mentally active to aid relaxation and allow the body to feel re-energised and invigorated.

30mins massage	£25
60mins massage	£38

Aromatherapy

Aromatherapy Massage combines the power of pure 100% organic essential oils with specialised massage techniques – your choice of oils will be specifically blended to meet your needs on the day of the treatment to offer a personalised massage time after time

30mins massage	£27
60mins massage	£42

Warm Bamboo Massage

Originating from South East Asia, described as “hot stone massage with attitude”, warm bamboo massage is a new concept in deep tissue relaxation massage, the tension simply melts away under the warmth of the bamboo.

60mins massage	£40
----------------	-----

Hot & Cold Stone Therapy

The Ancient healing properties of Basalt stones have been known across the 4 corners of the globe for centuries. Hot stones used on their own bring about an extremely deep level of relaxation, whilst used together with cold stones can facilitate in speeding up recovery times from injuries greatly.

60mins massage	£40

Environ Skincare Treatments

The Environ range of face and body products, for homecare and professional skincare use, have been developed by Dr. Des Fernandes, a respected South African plastic surgeon. The Environ philosophy is that by protecting our skin from UV rays, pollution, bad diet and stress we can prevent premature ageing and maintain a healthy, beautiful skin for a lifetime. Environ normalises skin, by utilising high doses of Vitamins A, C, E and Beta Carotene applied topically, providing skincare to prevent and to treat photo-damage, problem skin, pigmentation and scarring and is suitable for children, men and women

Active Vitamin Treatment (Manual) 1 hour **£35**

Cool Peel **£45**
(course of 6 £225)

Full descriptions of each facial treatment are available on the website
www.omnitherapyrooms.co.uk/environ-facials-sthelens

The full range of ENVIRON home maintenance products are available to purchase following an initial in depth skincare consultation

Skin Rejuvenation

Natural Facelift Rejuvenation

Using facial acupressure points and gentle massage we can give the facial muscles a lift and a new lease of life. No machines, no gimmicks, no needles just traditional Indian massage techniques to release deep seating tension and wrinkles. Effects can be seen after one treatment, though a course is recommended as the accumulative effects will be greater.

60mins massage	£35
Course of 4	£120

Infra-Red Light Collagen Therapy – Medically proven and used within dermatology clinics in hospitals, this non-invasive, painless technology can improve eczema, psoriasis and acne prone skin conditions. Improves the appearance of your skin, fine lines and wrinkles are alleviated; cellulite and scarring and stretch marks diminish. When used in conjunction with having Environ facials can achieve even more dramatic results. Treatment can also alleviate joint pain due to the deep heat properties of the infra-red light.

Prices start from **£5 per session/£15 per week**
8 week block booking **£100**
